

ZOZI

Hello, colleagues!

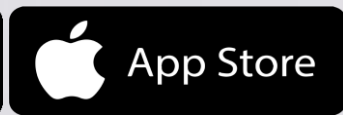

We offer your business accommodation in

**INTERNATIONAL CLUB OF ECONOMY
ZOZI.CLUB**

ZOZI - works across the planet and in 10 languages. ZOZI is the leader among cashback services in the CIS and actively developing in other regions

PLEASE PAY

attention that despite the presence of a site on our service, our main business and traffic located in zoji mobile App

CLIENT BASE

High financial solvency

We don't have child or users that came for entertaining content. Because we do not provide any services than Cashback. We have only adult and actively buying audience.

More than a
million users

98% from mobile

We work in

Europe, Asia, CIS, USA, Latin America
and India

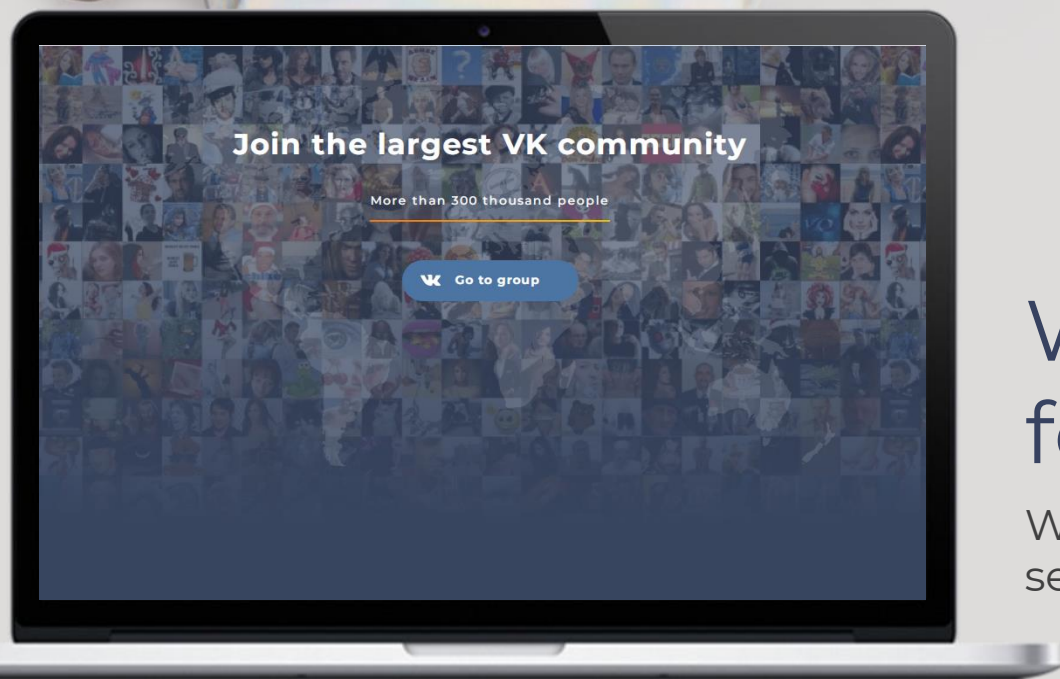

We are in the Top-1 in CIS

in the list of cashback
services according to Google
Play and App Store

We have been working for more than 8 years

We are one of the fastest growing cashback
services with a very responsive audience

CHECK-REQUEST SYSTEM

We are ready to provide you with copies of checks for any transactions

NO SPAM

We use tough methods to prevent spam and guarantee the cleanliness of traffic

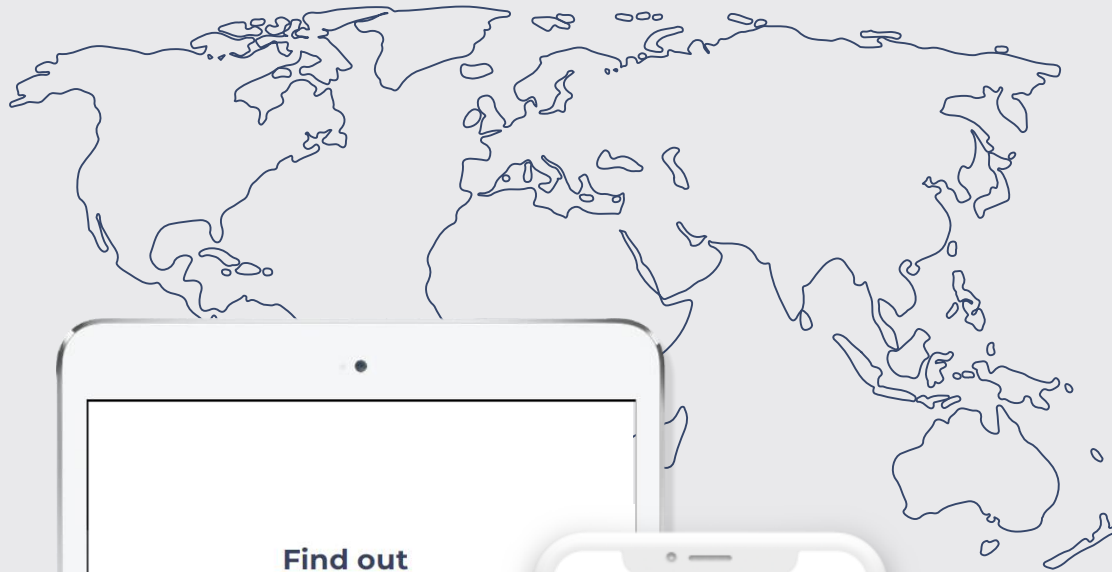

PROFITABLE POLICY

You will get the most, because 95% of the turnover we return to your customers. Moreover, we keep only 5% for ourselves; money does not leave the customer-store chain

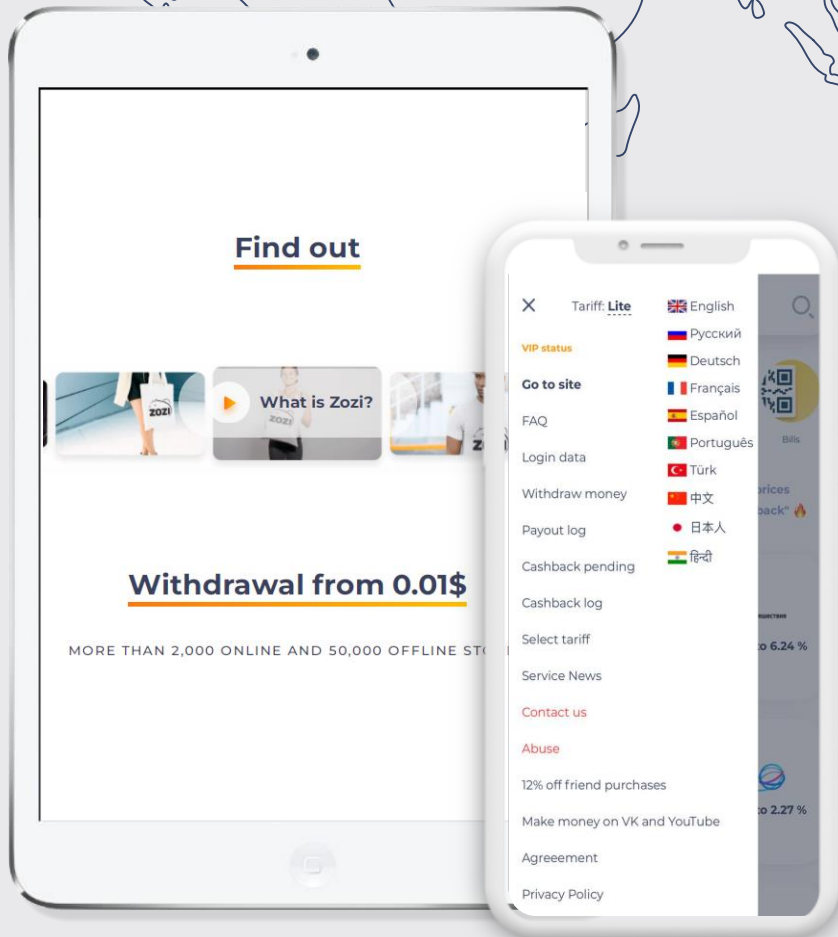

INTEGRATIONS WITH CELEBRITIES

TRAFFIC

98 % OF TRAFFIC comes from mobile apps for Android and IOS. Zozi has grown on these apps. Site traffic is only 3-6%

NUMBER OF ACTIVE AUDIENCES

from 100,000 users. We are talking only about active buyers who make regular purchases, read service news and learn store catalogs

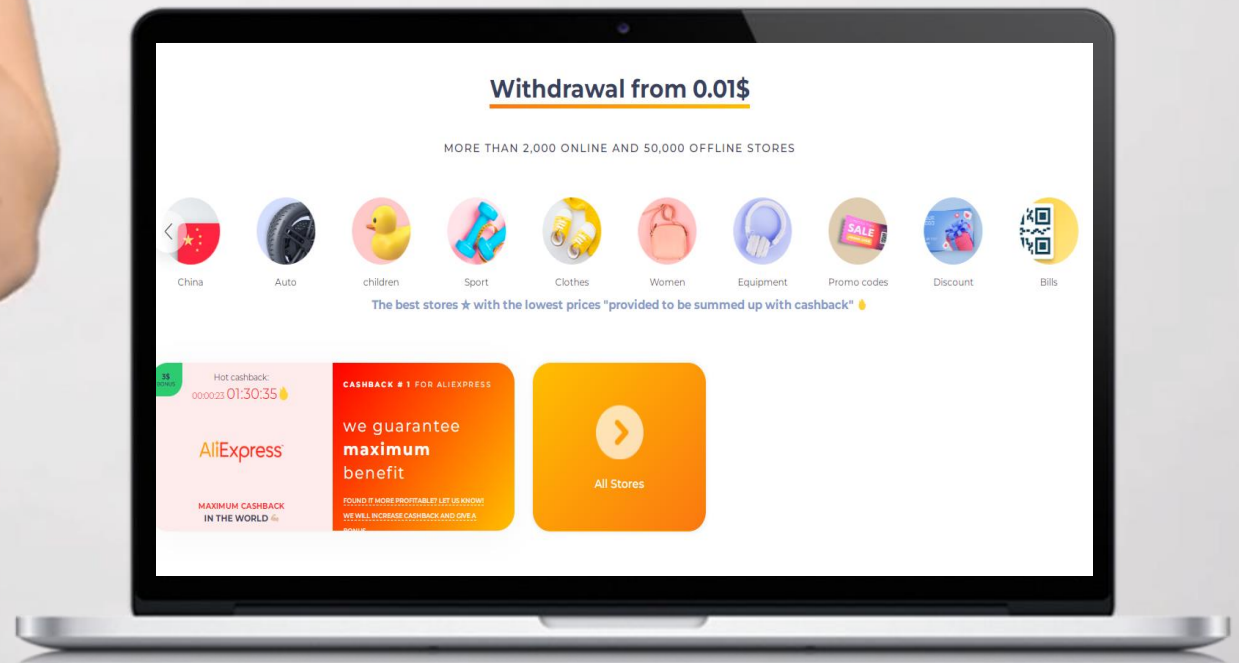

BASIC AGE

28-45 years, only a solvent audience that makes purchases in online stores uses online services and travelers

CLEANLINESS AND TRANSPARENCY

We guarantee maximum traffic purity on our part because we do not deal with SEO and do not wind up website traffic

It is difficult to determine the cheating; sometimes traffic is not visible from the target countries. This is an indirect indicator of cheating along with the low positions of the service on Google Play at the request of "Cashback"

For raising the standard tariff, we are ready to do this:

Boost you to the TOP 1-5

Send Ad News

Send Push Ad Notifications

We will offer users a **cash bonus** for the purchase in your store

Give your customers
100% of the cashback promotion

Activate the "Burning cashback"
function - timer with countdown
